

In Loving Memory of
Gwendoline King

Sunrise: 26th May, 1925 Sunset: 24th December, 2017

*It only feels like yesterday,
But four years have passed away,
For each of us you did your best
Your thoughts were good,
Your heart was kind
A better mother/grandmother
would be hard to find
Some may forget you now that you are gone
But we will remember you no matter how long.*

Sadly missed and lovingly
remembered by your:
**DAUGHTERS:- Lynette King-Taitt
and Pamela King-Oblington**
**Grandchildren, Great Grandchildren,
Relatives and Friends**
