Sunrise – July 14, 1941

Sunset – June 04, 2023

*We can just imagine how the  
faces of the angels exploded  
with joy and laughter,  
as one year ago, you made your  
way into the thereafter.*

*You who so generously shared  
your love,*

*now busy distributing that  
bounty in the realm above.*

*Your death signalled that our  
lives would never be the same,  
but we accept that our loss was  
Heaven's gain.*

*We will always silently mourn  
that you have gone,  
that the Sun has set and there  
will be no dawn.*

*But we are comforted knowing  
that you have joined your Lord,  
in the Orchestra of God, your  
voice added a new and glorious  
chord.*

**Lovingly remembered by  
your husband, Roopnarine,  
your children, Rabindranath,  
Rehana, Renuka,  
Rajendra, your  
grandchildren,  
great-granddaughter,  
family and friends.**
